Hard Skill

- PCB Design(ECDA)
- Electrical Design
- Control Systems
- PLC
- Electrical Equipment
- Power Electronics

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking
- Critical thinking.
- Leadership
- Creativity
- Teamwork
- Problem-solving
- Time management
- Organizational
- Adaptability

Languages

- English
- Kannada
- Malayalam
- Tamil
- Hindi

About Me

- Passionate about the intricate world of electronics and machines, I thrive on unravelling the complexities of circuits and mechanisms. With a deep-seated curiosity and a relentless drive for innovation, I am dedicated to exploring the latest technologies and pushing the boundaries of what's possible. Let's connect and collaborate to shape the future of technology together.

Professional Experience

Mysore Electrical Industries Limited | Intern

4th Sep 2023 – 30th Sep 2023

- Manufacturing, Assembling and Testing of 11kv circuit breaker (switchgear) where in this internship which gave hands on experience on switchgear mechanism assembling, wiring of the panel doors and the electrical device

Design and Analysis of Solar Electrical Vehicle | Intern

26th Mar 2022 – 24th Apr 2022

- Online Internship on solar electrical vehicle for one month where they explained about some main concept to be consider on electrical and mechanical while making solar electrical vehicle.

Education Background

Bachelor of Engineering (BE)

Electrical and Electronic Engineering (EEE)
The Oxford College of Engineering, Bangalore
Dec 2020- May 2024, Completed with 72.74%

12th Grade

Physics, Chemistry, Maths & Electronics (PCME)
Krupanidhi Pre-University College, Bangalore
Mar 2018 – Apr 2020 ,Completed with 76%

Projects

- Duster Machines.
- Low Energy Consumption Fan.(First price in college for selection of project to uploading in Indian hackathon portal)
- Artemia Hatching Machine.(Participate in college for selection of project to uploading in Indian hackathon portal)
- Automatic water Dispenser.(Won second place in Inter College)
- Automated Exhaust Fan and Flushing System.(selected for KSCST Project)
